Project Phase - 2

Team 22

Sagiraju Deekshitha (2022101063), Sohan Gupta Das Mupparapu (2022101061) Sai Praneeth (2022101097), Bharath Gajawada (2022101044)

Additions:

- Added identifying relationship types to the weak entities (User Activity Log,
 Price Data), which we did not mention in req. doc because there are already many relationship types
- Added a Multi-valued attribute to the wallet Entity Type ('coin types')
